Lakshmi Narain College of Technology, Indore

(An ISO 9001:2008 Certified Institute)

Policies regarding Waste Management at LNCT, Indore

- Different types of solid wastes (biodegradable & non-degradable) are disposed off as per the Government policy and collected by the Municipal garbage cart.
- Dust bins are kept at places to collect the different types (dry & wet) of waste separately.
- E-wastes are stored separately and given to the authorised agencies.
- Vermicomposting set up is placed at hostels and the raw vegetable stock is used to make compost.
- The waste furniture is brought in for reuse after assembling the usable parts.
- Other waste materials like totally damaged furniture and other office wastes are stored in a separate room.
- Proper care is taken about the release and discharge of harmful wastes while working in laboratories.
- Non-biodegradable materials such as paper and plastic waste are segregated and resold by the college.
