Sr. No.	Point Raised	Action taken
1	New career oriented courses should be started	The point is under consideration, A detailed list of courses is to be prepared department wise as per requisition of students. This point will be discussed in the next meeting.
2	Students expressed more interest in internships	University courses have already incorporated the internships and its review as additional weightage in curriculum in new scheme.
3	Course delivery by faculty members in the class using teaching aids and ICT tools in the class by faculty	Our classes are equipped with projectors and a computer system connected with LAN, faculty can bring their own laptop and material for teaching.
4	Students feel loaded in terms of syllabus and its content.	We are offering courses and syllabus recommended by affiliating university. We will raise this point in syllabus review meetings hosted by university time to time
5	College timing is more, students needs extra timing for sports and extracurricular activities.	Lecture duration is proposed to be reduced from 55 Minutes to 45 Minutes. One hour saved thus, can be utilised for other activities like sports etc.
